The Clean Vehicle Technology EXPO is California's most comprehensive event for fleet operators to see, touch, and experience the latest in clean vehicle technologies.

Don't miss this unique opportunity to:

- Participate in a clean vehicle "Ride 'n Drive"
- Hear presentations and participate in discussions on policies, regulations, products, and technology innovations influencing California's fleets
- Discover a range of clean vehicle technologies, from diesel emission control devices; light, medium and heavy-duty alternative fuel and hybrid vehicles; fuel cell and electric vehicles; plug in electric hybrids, and more
- Learn how you can get involved to help clean the air
- Enjoy a specially catered lunch!

Admission is limited, please RSVP today to participate! We cannot accept walk-ins or late registrants due to event constraints.

To RSVP or for questions call or email by October 9 to:
Rocio Santacruz at 909-396-2690 or
